

Need Help Preparing for Wildfire?

The **Fire Safe Business Directory** is a free, searchable database connecting Californians with trusted businesses specializing in wildfire safety, prevention, and preparedness.

Find the products and services you need, right in your area.

How It Works

1. Filter

Search for providers near you

2. Browse

View search results & select providers near you

3. Connect

Contact providers directly, or use our Request a Quote form

Tip: consider starting with a Wildfire Risk Assessor

Find Business in 5 Major Categories

Emergency Response

Environmental Consultants

Fire Detection

Fire Resistant Building & Materials

Wildfire Mitigation

Tip: look for the CFSC Reviewed badge

Reviewed businesses are checked for liability and workers' compensation insurance, a business license, a contractor license (where applicable), three positive references or third-party reviews, and a USDA Certification of Debarment and Suspension.

Products and services in the Fire Safe Business Directory are for informational purposes only. Inclusion in the directory is not an endorsement of or certification from the California Fire Safe Council.
